

Forest Department, Haryana

Public Notice

It is hereby intimated for the benefit of the general public that the Forest Department has taken the initiative of immediate removal of Dead/Dry and Dangerous Trees from roads/other places which may cause hindrance in smooth flow of traffic or may cause danger to life and property.

The details of such trees may be sent on Whatsapp number 8278276564 indicating the name of the road/location/site, name of district and photographs of the site. Efforts will be made for immediate removal of the trees.

**Principal Chief Conservator of Forests,
Haryana, Panchkula.**
